Dr. W. Burwash,
26 Alvin Avenue,
Toronto.

Dear Dr. Burwash:

Mr. John King's name was submitted to the Committee on Honorary Degrees. It was supported by a number of letters from gentlemen who were desirous that this honour should be done to Mr. King. You are aware, however, from your long experience in the University how many names are brought forward, and how difficult it is often to get unanimity for all that are presented.

With kind regards, I am,

Yours sincerely,

President.
